

 SISCO
ARCHITECTURE

The logo for SISCO ARCHITECTURE. It features a vertical bar with four colored segments (blue, yellow, red, green) to the left of the word "SISCO" in a large, white, sans-serif font. Below "SISCO" is the word "ARCHITECTURE" in a smaller, white, sans-serif font.

03 education

"In my dealings with SISCO Architecture I have found the team to be extremely professional and responsive to clients' needs. They work hard to deliver their clients' brief, keeping them informed on progress and displaying a high degree of creativity and innovation in their design solutions."

a complete service
from original concept
through to final
handover

inspired design
coupled with the
highest professional
standards

developing a
proactive design
brief to ensure
high quality design
solutions

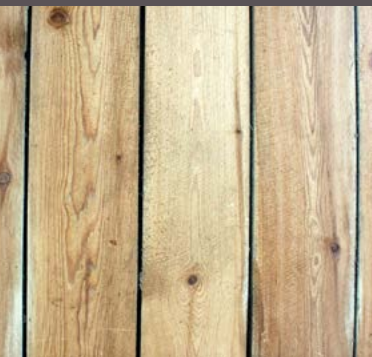

we take pride in ensuring that all our projects are designed sensitively, to meet our clients requirements

At SISCO Architecture Ltd, our staff have a wealth of experience managing education projects throughout the East of England and across the UK. We pride ourselves in the personal approach we offer to each of our clients and our design philosophy stems from the fundamental requirement to 'listen' and take the time necessary to develop the brief.

our services include

- ✓ campus masterplanning/
strategic analysis
- ✓ feasibility studies
- ✓ design solutions
using BIM technology
- ✓ local authority submissions
- ✓ tendering services to suit
your project
- ✓ construction management
and contract administration
